Procurement for Taylor & Francis Medical Token Package 2025

The purpose of this procurement is to acquire an online subscription to Taylor & Francis Medical Token Package, which is required and utilized by the Wellbeing counties listed in Appendix 1.

According to the Finnish Act on Public Procurement and Concession Contracts (1397/2016; Procurement Act), state and municipal authorities, as well as other contracting entities, are required to conduct competitive tendering for their procurements and concession contracts as stipulated in the Act. SOTE Virtuaalikirjasto Oy, as an institution of public law as defined in the Act, adheres to these regulations.

The price was requested by email on September 13, 2024. A quote was received on September 25, 2024, and it met the established eligibility requirements.

American Academy of Pediatrics is the only publisher that can provide the electronic resource in question.

Taylor & Francis Group is the only publisher that can provide the electronic resource in question. The publisher has partnered with EBSCO International Inc. to serve as the sales provider for a token model.

Procurement Decision

SOTE Virtuaalikirjasto has decided to purchase Taylor & Francis Medical Token Package with 150 tokens, on behalf of the Wellbeing counties listed in the Appendix 1 for a duration of 12 months in accordance with the offer from Taylor & Francis Group.

The total estimated value of the acquisition for the period of January 1, 2025, to December 31, 2025, EUR 7 437,00 (VAT 0%).
